Dear Passes Dental Care,

Long Island Cares, Inc., The Harry Chapin Food Bank gratefully acknowledges receipt of a total of 250 pounds of food received on 06/03/2021.

Through our COVID-19 relief efforts. In addition to distributing more than 17 million pounds of food to nearly 600 member agencies and programs since the beginning of the COVID-19 pandemic, Long Island Cares, Inc. seeks to heighten public awareness about hunger and provides skills training to foster self-sufficiency among the population that benefits from our services.

Many times hunger and poverty are hard to see. By outward appearances, we may not know a family is struggling or that a school age child does not have enough food at home. People needing help are often filled with shame when they seek assistance and no matter how kind the food pantry worker may be, the worried parent keeps thinking, "I can't feed my kids."

You have helped to feed your neighbors in need. You have helped spread the word that hunger exists on Long Island. You are making a difference in the lives of families who count on Long Island Cares to put enough food on the table. You have made it possible to provide more fresh food to clients. Children will go to bed less hungry at night. Seniors will suffer less hardship. And for all of that, we thank you. Your neighbors thank you.

With your help, Long Island Cares will continue to serve the community. Thank you for your unwavering support!

Sincerely,

William E. Gonyou, M.S.
